64 Quartz Circle, PO Box 5768, Breckenridge, CO 80424 • iPhone: (720) 237-9900 • Email: michelle@kirkpatrickreporting.com

- Accomplished realtime writer with thirty-plus years of experience in the industry
- Certified as an RPR, RMR, RDR, CRR, and CRC with the National Court Reporters Association
- Certified as an FCRR (Certified Realtime Reporter) with the United States Court Reporters Association
- National Realtime and Speed Contest participant in 2012, 2015, 2016, and 2017

Professional Court Reporting Experience

As a freelance realtime reporter:

- Contract reporting for highly technical international arbitrations in Washington, D.C., including investment disputes, and specializing in providing realtime, immediate rough drafts, and same-day final transcripts
- Nationwide realtime deposition reporting and immediate rough draft production of many expert witnesses, specializing in complex corporate litigation: Patent infringement, product liability, pharmaceutical litigation, as well as oil/gas and asbestos cases
- Contract reporting for biannual Keystone Symposia Scientific Advisory Committee meetings, with a roundtable of more than two dozen scientists from around the world (Topics are Cardiovascular and Metabolic Disease; Plant Biology, Neurobiology, and Genetics/Genomics; Molecular and Cellular Biology; and Immunology and Infectious Disease)

As support for fellow court reporters:

- Routinely assisting fellow reporters in understanding and using advanced software programs (Windows) and apps (Android)
- Mentoring individual reporters as well as coaching small reporter groups in developing realtime skills for certification testing, production of same-day rough drafts, and educating them about various realtime hookup options and realtime tips and tricks
- Volunteer Webmaster and Web advisor for the Iowa Court Reporters Association, 1998 – 2008
- Creation of Websites for small businesses in the court reporting industry, including the official ICRA Website, 1998 – 2008
- Served on the Board of Directors of ICRA 2003 - 2004 and served annually on various committees in the 2000s
- Served on NCRA's TRAIN (Realtime) Task Force 2013 - 2014 and 2014 - 2015 and continue to speak regularly regarding same in small-group presentations, association seminars, symposia, and conferences around the U.S.
- Invited speaker for SUN, Kansas City, Kansas (StenoCAT Users Network), March 2015
- Invited speaker for CCRA, Vail, Colorado (Colorado Court Reporters Association), September 2015
- Invited speaker for "STAR Talks," New Orleans, Louisiana, STARCON15 (Stenograph Users Group), October 2015
- Served on the StenoCAT Users Network Board of Directors, 2015 – 2017
- Ongoing article publication in state association magazines and the national association's Journal of Court Reporting
